## THE BUSY BEE CANDY KITCHEN AND ICE CREAM PARLOR

Home Made Candies, new and never before introduced in the city.

SODAS AND ICE CREAM  
Visit our parlor at 411 Broadway.

## You Can Eat

Chamberlain's Ice Cream for lunch to-day and not feel drowsy afterward. You can give it to the children after the movies to-night and they will sleep like a rock. You can have it for dessert on Sunday and feel like taking a good brisk walk right afterward.

There is no miracle about this. The REASON is that ice cream is one of the easiest foods to digest. Your stomach does not have to work like a dray horse to handle it.

With half the foods we eat it takes more energy to digest them than the energy we get out of them.

Order Chamberlain's Ice Cream for dinner to-night and for dessert to-morrow. It is the cheapest, purest most wholesome food you can buy.

Chamberlain's Ice Cream is no longer an occasional luxury; it is a daily food.

## THIS LADY'S GOOD APPETITE

Mrs. Hansen, In a Letter From Mobile, Tells How She Gained It.

Mobile, Ala.—"I suffered for seven years, with womanly trouble," writes Mrs. Sigurd Hansen in a letter from this city. "I felt weak and always had a headache and was always going to the doctor. At last I was operated on, and felt better, but soon I had the same trouble."

My husband asked me to try Cardui. I felt better after the first bottle, and now, I have a good appetite and sleep well. I feel fine, and the doctor tells me I am looking better than he ever saw me."

If you are sick and miserable, and suffer from any of the pains due to womanly trouble—try Cardui. Cardui is successful because it is composed of ingredients that have been found to act curatively on the womanly constitution.

For more than fifty years, it has been used by women of all ages, with great success. Try it. Your druggist sells it.

N. B.—Write for Ladies' Advisory Dept., Chamberlain Medicine Co., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment of Women," sent in plain wrapper, on request.
